

## FULL-PRICE MEALS

October 11, 2017

Dear Parents & Guardians:

On October 30, MPA will begin a new school meal partnership with Papa

Gino's restaurants .

Papa Gino's will be supplying our daily school lunches, directly from their store in Cranston. Servings are individualized, so your child will receive a bag or box with his/her lunch and sides, kept hot in special thermal bags right from the store.

We have selected a rotating 5-day menu for November, and in later months will rotate out any less-popular offerings and bring in other more enticing options.

The price of lunch will increase nominally, effective October 30, from \$3.25 to \$3.50. Milk is an additional \$0.45. Breakfast pricing remains unchanged at \$2.09 daily, which *includes* milk.

As always, we ask that you review the menu with your child, and then either tell us that your child will be ordering *all meals* for the month, or circle the *specific* meals ordered and return the menu to us. We need to send in an accurate count to Papa Gino's every 2 weeks. **Please return your November menu to MPA no later than October 25.** Please note that this menu runs from October 30-December 1.

As always, if you have any questions, please do not hesitate to contact me.

Sincerely

Dr. Jeffrey R. Brusini, LMHC, Esq.

Payment may be sent in with this form, or MPA will send a monthly invoice home, net payment 30 days. Please make checks out to "Family Service of RI", and in the Memo section, write "MPA Meals". Because meals are ordered and purchased ahead of time, we cannot issue refunds if a child is absent. Scheduled absences (e.g., family vacation) must be communicated to MPA at least one week prior to the start of the absence to avoid being charged. Accounts that are unpaid after 90 days will be sent to Collection and the student's participation in the MPA Meal Plan may be suspended. Gluten-Free and Dairy-Free options are available with advanced notice.
